

**LiteSheet Solutions, LLC**  
LiteSheet Limited Warranty

**Limited Warranty.** Subject to the terms, conditions, limitations, and exclusions in this Limited Warranty, LiteSheet Solutions, LLC ("LITESHEET") warrants that a LITESHEET product purchased directly from LITESHEET or from an authorized LITESHEET Distributor ("Product") is free from defects in material and workmanship that would cause the Product to fail to operate in accordance with the Product's performance specifications ("Specifications") for the applicable warranty period described below from the date the Product was first purchased by a retail purchaser ("Purchaser"). A Product shall not be considered defective solely as a result of the failure of individual LED components to emit light if the number of inoperable components is less than 15% of the total number of LED components in the Product.

**Limited Warranty Duration.** Product will have a Limited Warranty for one (1) year **unless otherwise specified for each Product as set forth on Exhibit 1** hereto, from the date the Product was purchased by Purchaser (the "Limited Warranty Period").

**Exclusive Remedy.** If during the applicable Warranty Period LITESHEET determines the Product is defective in material and workmanship, LITESHEET will, in its sole discretion, refund the Product purchase price, repair the Product, or replace the Product. LITESHEET reserves the right to utilize new, reconditioned, refurbished, repaired or remanufactured products or parts in the warranty repair or replacement process. Such products and parts will be comparable in function and performance to an original product or part, as determined by LITESHEET in its sole discretion. LITESHEET'S repair, replacement, or refund of the defective Product is the sole and exclusive remedy for the Purchaser for any defect in materials or workmanship.

**Conditions of Limited Warranty.** LITESHEET's warranty coverage for the Product is subject to the following terms and conditions: (1) the Purchaser must provide written notice to its authorized LITESHEET Distributor within 30 days of discovering a claimed defect to the Product; (2) the Product must be installed according to LITESHEET's printed installation instructions and must comply with any applicable standards or codes, including, without limitation, those standards or codes of the National Electrical Code, the Standards for Safety of Underwriters Laboratory, Inc. (UL, ETL, or CSA Listed), the Standards of the American National Standards Institute (ANSI); (3) the Product must be installed, operated and maintained within the electricity operating range, electrical values, and environmental conditions identified in the Product's Specifications and configuration; (4) a Purchaser, upon discovering a claimed defect, must immediately provide, at Purchaser's own expense, protection of all property that could be affected until the claimed defect is remedied if applicable. Before undertaking any permanent repair to the Product, Purchaser must allow LITESHEET or its agents to inspect and examine the Product as it was installed; (5) any repairs to the Product undertaken by Purchaser without prior authorization from LITESHEET may void the warranty; (6) this warranty is valid only to products purchased directly from LITESHEET or LITESHEET's authorized distributors; and (7) this limited warranty may only be used by the original retail purchaser, and is non-transferable and non-assignable.

**Exclusions from Coverage.** This Limited Warranty does not cover damage or defects resulting from or in any way attributable to: (1) improper shipping, storage, handling, installation, operation or maintenance of the Product or any associated systems or components; (2) any modifications or alterations of the Product after LITESHEET ships the Product; (3) neglect or abuse of the Product; (4) any use of the Product other than for the purpose for which it is designed; (5) any unauthorized repair of the Product; (6) acts of God including, but not limited to, severe weather, fire, flood, unusual climate conditions, or other natural phenomena; (7) lack of proper maintenance of Product or systems on which Product depends for performance; (8) power surges, power spikes, improper power supply, electric current fluctuations, induced vibration, or other electrical events not caused by LITESHEET; (9) use in conjunction with another lighting product; or (10) any cause other than material or manufacturing defects attributable to LITESHEET. This includes but is not limited to step-down transformers, control equipment, etc. Such devices are subject exclusively to the terms as provided by the devices original manufacturer's warranty, if any.

**Notification.** To make a claim under this Limited Warranty, Purchaser must notify LITESHEET's distributor, or LITESHEET if the Product was purchased directly from LITESHEET, in writing within 30 days of discovering the defect, provide adequate

proof of purchase of the Product, provide photos of the Product showing the defect, and provide other information requested by the distributor or by LITESHEET. Purchaser must then comply with all instructions from LITESHEET or LITESHEET's Distributor to process the warranty. PURCHASER'S EXCLUSIVE REMEDY FOR ANY NONCONFORMITY OR DEFECT IN ANY PRODUCT SHALL BE ONLY AS EXPLICITLY SET FORTH HEREIN.

**Limitation of Liability.** UNDER NO CIRCUMSTANCES SHALL LITESHEET'S AGGREGATE LIABILITY ARISING OUT OF OR IN CONNECTION WITH A DEFECTIVE PRODUCT, IN CONTRACT, TORT, OR ANY OTHER LEGAL THEORY, EXCEED THE PURCHASE PRICE OF THE PRODUCT TO WHICH SUCH LIABILITY RELATES.
